

**SOCIAL ENTERPRISE FOR CANADA
YORK REGION SUPERVISED PARENTING TIME PROGRAM
VOLUNTEER APPLICATION**

Social Enterprise for Canada is a not-for-profit agency that has been providing supervised parenting time and exchange services since 1992 when we participated in a Supervised Access Program pilot project funded by the Ministry of the Attorney General. This pilot project has flourished into a province-wide service in 52 Court Districts. Our program offers parents and extended family members an opportunity to build or re-build their relationship with their child(ren) in a safe and neutral environment away from conflict and violence. We offer in-person supervised parenting time and exchanges, and virtual services
